Commercial offer

The essential accessory is much in demand among active and busy people who appreciate usability and comfort. With the Aroma Sementi scented stickers, you will forget the discomfort of wearing the shoes emanating an unpleasant odour.

The Aroma Sementi scented stickers are definitely better than their analogues!

Long-lasting continuous odorization with nice persistent fragrance for up to 30 days of everyday use!

Only natural flavors.

The filling stuff basic components are natural volatile oils, the natural products which remove unpleasant odours and have a positive effect on the inner microflora. We don't use odorants or other artificial flavours.

Utmost usability

The insert size is as little as 6x4 cm with 2-3 mm thickness. The Aroma Sementi scented stickers shape as well as their location near the inner side of foot instep produce a slight supportive effect similar to the orthopaedic bandages. The product is securely fixed on the shoe lining as a sticker.

All-purpose product and wide variety of options

- Suitable for shoes of any size, shape, and style
- 4 colour options for your shoes: white, beige, grey, and black
- 3 different odours: fruit, alpine, and flower.
